# E.C Lawrence Reveals Blue Jewels of Spring Sky

On Sunday, March 9, 2008 from 1 to 2:30 p.m., Ellanor C. Lawrence Park will uncover the mysteries of bluebirds in the spring sky. Learn all about bluebirds through a brief slideshow and visit last year's bluebird nest boxes during a nature hike guided by a naturalist. After the hike, participants will build their own nest boxes to take home.

Bluebirds are very particular about where they nest and each year as nesting season approaches, bluebirds spend endless days searching for the perfect nest hole. Your new, unique nest box will make your backyard more attractive to nesting bluebirds.

This program is suitable for ages six and older. Adult assistance is recommended for children under 12. The cost is \$15 per kit and due to limited space, prepaid reservations are required. Bring your own hammer. The deadline to register is March 4, 2008. For more information or to register, call 703-631-0013.

Ellanor C. Lawrence Park is located at 5040 Walney Road in Chantilly.
